

Target Exploration

Energy Geosciences Research & Development

Iraqi Petroleum Conferences (IPCs)

Target Exploration is the sponsor and organiser of *Iraqi Petroleum Conferences* at the Imperial College of London University since 1999. The IPC conferences are regular gathering for upstream petroleum industry professionals for presenting, sharing E&P experiences and advertising opportunities in Iraq. IPC Conferences authors and presenters are encouraged to:

- Present new E&P opportunities in Iraq and publish achievements, and disseminate technical experiences of Iraqi and IOC E&P geoscientists to technical and new-ventures staff of IOC, and research establishments.
- Introduce new E&P ideas, procedures, and technologies deemed applicable or successfully applied in Iraq.
- Key Benefits: A major source of E,P&D information on Iraq and adjacent HC producing countries, presented by experts.
