

MENA OIL & GAS CONFERENCES

Target Exploration organises an annual international Middle East & North Africa (MENA) Oil and Gas Conference at the Imperial College, London in September since year 2000.

Key Benefits:

- 1: Presentations by national, international & independent MENA upstream oil experts.
- 2: Balanced coverage of upstream reviews of all oil and gas producing MENA countries.
- 3: Source of exploration, development & production opportunities in MENA countries.
