

Target Exploration

MENA OIL & GAS CONFERENCES

Target Exploration is the organiser of the annual international Middle East & North Africa (MENA) Oil and Gas Conference at the Imperial College, London since year 2000. MENA O & G Cs are regular September gatherings for upstream petroleum industry professionals for presenting, sharing E&P experiences and advertising opportunities in MENA countries. Authors (geoscientists, petroleum engineers, technical and managerial staff of MENA and other countries) are encouraged to:

- Present new E&P opportunities in MENA to technical and managerial new-ventures staff of IOC, and research establishments.
- Disseminate technical, managerial, legal experiences, solutions, and achievements of MENA geoscientists and other technical staff.
- Introduce new E&P reviews, ideas, ventures, solutions, procedures, methodologies, and technologies deemed applicable or successfully applied in MENA.
- Introduce technical upstream staff, human and financial resources of MENA countries to international Oil and Gas, international new-venture establishments, international legal firms, management consultants, financial establishments, technical services and consulting companies.
- Propagate cooperation between MENA upstream staff with upstream and R&D staff of international oil companies and research institutes.

Key Benefits:

1. Presentations by national, international & independent MENA upstream oil experts.
2. Balanced coverage of upstream reviews of all oil and gas producing MENA countries.
3. Source of MENA exploration, development & production information and new opportunities in MENA countries.
